National Park Service Academic Fee Waiver Criteria for Applicants

National Park Service (NPS) regulations allow school groups and other *bona fide* national and international academic institutions to obtain a waiver for park entrance fees, provided that the visit is for educational or scientific purposes, and the resources or facilities the group proposes to use support those purposes.

Academic fee waivers are not granted automatically. Applicant groups must show they qualify for the waiver. There are three criteria the group must meet to qualify for an academic fee waiver: eligibility, educational purpose, and relevance of park resources or facilities. These criteria are detailed below:

Academic Fee Waiver Criteria:

1. Eligibility

Applicants must prove they are a bona fide academic institution by submitting one of the following:

- A statement confirming educational or scientific tax-exemption from the IRS or the applicant's national, state, or local tax authority; or
- A statement, from a bona fide academic institution, confirming that the group is visiting for the purpose of providing transferable educational credit based on a curriculum; or
- A statement of accreditation, or recognition as an academic institution, from a recognized national, regional, state, or local authority at the applicant's location.

2. Educational Purpose of the Visit

Applicants must provide a written statement confirming that the visit supports a specific curriculum for which academic credit is offered. If the group is on a commercial tour, the applicant must state how the tour supports the curriculum.

3. Relevance of Park Resources or Facilities

Applicants must provide a written statement identifying the park resources and/or facilities that will be used to support the educational purpose of the visit, and how they are relevant to that purpose.

How to Apply for an Academic Fee Waiver at a National Park

If you meet the criteria above, submit the following to the address below. Please allow two weeks for processing.

1. A cover letter, on letterhead, explaining what the educational purpose is and how it is related to park resources. (A general statement that the visit is for "educational purposes" is insufficient.) If your group is using a commercial tour company, the group (not the company) must apply for the fee waiver, and must state how the tour supports the curriculum. *See Educational Purpose of Visit, above.*

2. Current, official documentation of eligibility such as described above. It is insufficient to merely state or imply this on the organization's letterhead. Your fee waiver request cannot be approved without one of these documents. *See Eligibility, above.*

3. Provide the name of the course and a brief description. The applicant must be providing educational credit hours based on a specific course of instruction.

4. Please include the name and correspondence address of the institution; contact names(s) with telephone/fax number(s) and email address; approximate date and time of arrival and departure; areas you plan to visit; and approximate number of students and chaperones, including faculty.

1 chaperone is allowed free entry for each:

9- High School students

9- Elementary School students

5. State in your letter that you understand fee waivers are allowed only for academic institutions that are using the park for educational purposes and the planned trip meets these requirements.

6. Mail or fax all documentation detailed in the “How to Apply for an Academic Fee Waiver” section above to:

Perry’s Victory and International Peace Memorial

Please be aware...

- Fee waivers are not available at entrance stations.
- Academic fee waivers cannot be granted for hardship factors.
- Service, civic, or fraternal organizations, such as Scouting, Rotary, and Elks, do not qualify for an academic fee waiver unless the group meets the criteria above.
- “Blanket” academic fee waivers for all national parks are not issued or accepted. Groups must submit separate requests to individual parks for approval. A list of parks and contact addresses is at www.nps.gov.

If your request is approved, you will receive an academic fee waiver. You must present a copy of the approved fee waiver at the park entrance station.

If your request is denied, you will receive a letter from the park explaining why your group does not qualify. If required material is not submitted, the park will attempt to contact and assist you.

If you have any questions, please feel free to contact the Park at (419) 285-2184.
